

## POSTING IMPRESSIVE BENEFITS...

- \* The same long lasting HDPE material and color as Post Protector
- \* Easily "clips" over bottom edge of the 2x
- \* Protects against soil contact, decay, outside exposure, and UV degradation

- \* Snug fit and lays flat even without any fasteners
- \* Provides attractive, finished appearance
- \* Solid lengths to accommodate 8', 9', 10' and 12' post spacing
- \* In conjunction with Post Protector, offers the highest quality post frame foundation
